

**REMARKS**

The foregoing changes are made pursuant to the provisions of Rule 312 to effect editorial corrections of the specification without introducing any new matter therein. The above amendments incorporate the Examiner's amendment attached to the Notice of Allowance dated November 3, 2003. In addition to the Examiner's amendments, claim 15 is amended to provide proper antecedent basis for "at least one channel" and "bridges". This amendment also adds a paragraph to the specification identifying the priority data. Entry of this amendment is believed to be in order and the same is hereby earnestly solicited.

Any fees or charges required at this time in connection with the application may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,
